WHY SHOULD ACUPUNCTURE BE USED IN FERTILITY TREATMENTS?

RESEARCH SHOWS!

Acupuncture:

1. **Improves** the function of the ovaries to produce better quality eggs.
2. **Regulates** the hormones to produce a larger number of follicles.
3. **Increases** blood flow to the uterus and increases the thickness of the uterus lining.
4. **Relaxes** the patient and decreases their stress.
5. **Prevents** the uterus from contracting.
6. **Lessens** the side effects of drugs used in IVF.
7. **Strengthens** the immune system.
8. **Improves** semen to create better quality and quantity of embryos.
9. **Decreases** the chances of miscarriage.

TESTIMONIALS

"Dear Eva, thank you for all your help! I truly believe your treatments enabled me to conceive..."

"Dear Evangelina, my husband and I have been trying to conceive for over a year and a half... After four unsuccessful IUI's and one IVF cycle, I decided to receive acupuncture treatment while undergoing my second IVF cycle. I am happy to say that I am now 9 weeks pregnant and I can't thank you enough... I truly believe that it was your acupuncture treatments that increased my chances of conceiving. I highly recommend your services to anyone in need..."

"Eva - Thank you for everything. I truly believe my treatments with you are what got me pregnant."
